NOTICE TO THE SHAREHOLDERS OF THE SHARE CLASS
LYXOR ESG EURO CORPORATE BOND (DR) UCITS ETF – MONTHLY HEDGED TO SEK – ACC
(ISIN CODE: LU2093240757)
(THE "SHARE CLASS")

Terms not specifically defined herein shall have the same meaning as in the articles of incorporation and in the latest Prospectus of the Company.

Luxembourg, December 12, 2022

Dear Shareholder,

The board of directors of the Company (the "**Board**") considers that the value of the net assets under management of the Share Class remains limited while prospective investors show interest in other investment products proposed by the Company.

Therefore, and in accordance with article 34 of the Articles of Incorporation, the Board has decided to liquidate the Share Class as detailed below:

ISIN Code	Suspension on the Secondary Market (close of the below days)	Primary Market Suspension (close of the below days)	Liquidation Day (Last NAV close of the below days)	Final Net Asset Value Calculation date
LU2093240757	12/01/2023	16/01/2023	18/01/2023	19/01/2023

Please note that the Management Company has agreed to bear any direct legal counsel costs, operational costs related to the mailing and publication of the notice to Shareholders of the Share Class or supplementary audit costs incurred within the context of the liquidation of the Share Class.

Further to the above, the Board has decided to suspend the subscription and the redemption of Shares of the Share Class as from January 12, 2023 on the Secondary Market and as from January 16, 2022 on the Primary Market.

Until such date, the Shareholders may therefore continue to request the Redemption of their Shares free of charge on the Primary Market in accordance with the provisions of the Prospectus.

For Shares sold on any exchange where the Sub-Fund is listed, placing an order on the Secondary Market will trigger costs over which the Management Company has no influence. Please note that shares that are purchased on the Secondary Market cannot generally be sold back directly to the Sub-Fund. As a result, investors operating on the Secondary Market may incur intermediary and/or brokerage and/or transaction fees on their transactions, over which the Management Company has no influence. These investors will also trade at a price that reflects the existence of a bid-ask spread. Such investors are invited to contact their usual broker for further information on the brokerage fees that may apply to them and the bid-ask spreads they are likely to incur.

The delisting of the Shares of the Share Class from all of the stock exchanges on which they are listed will be effective as from January 12, 2023 (after the close of the stock exchanges).

Finally, the Board has decided that all the remaining Shareholders of the Share Class will be compulsory redeemed as of January 18, 2023 at the final Net Asset Value of January 18, 2023 calculated on January 19, 2023.

Any liquidation proceeds which cannot be distributed to Shareholders of the Share Class will be deposited on their behalf with the *Caisse de Consignation* in Luxembourg.

This liquidation will be reflected in the Prospectus at the next opportunity.
