* Source : Amundi. The above cover complete periods of 12 months for each calendar year. Past performance is no predictor of current and future results and does not guarantee future yield. Any losses or gains do not take into consideration any costs, commissions and fees incurred by the investor in the issue and buyout of the shares (e.g. taxes, brokerage fees or other commissions deducted by the financial intermediary). If performance is calculated in a currency other than the euro, any losses or gains generated can thereby be affected by exchange rate fluctuations (both upward and downward). The discrepancy accounts for the performance difference between the portfolio and the index.

Index Data (Source : Amundi)

Description of the Index

The index is built on the principle that dividends have historically dominated equity returns in the long run. Starting with a universe of global developed market equities with a minimum market cap of US\$ 3bn, the equal-weighted index is designed to capture high quality companies (ex Financials), with a strong balance sheet, and a high and sustainable dividend yield.

Important information

This document is of a commercial nature and not of a regulatory nature.

It is each investor's responsibility to ascertain that it is authorised to subscribe, or invest into this product.

Prior to investing in the product, investors should seek independent financial, tax, accounting and legal advice.

Amundi Global Equity Quality Income is an investment company with Variable Capital (SICAV) incorporated under Luxembourg Law, listed on the official list of Undertakings for Collective Investment, authorised under Part I of the Luxembourg Law of 17th December 2010 (the "2010 Law") on Undertakings for Collective Investment in accordance with provisions of the Directive 2009/65/EC (the "2009 Directive") and subject to the supervision of the Commission de Surveillance du Secteur Financier (CSSF). The product is a sub-fund of Amundi Global Equity Quality Income and has been approved by the CSSF and has been notified to the AMF to be marketed in France.

Amundi Asset Management ("Amundi AM") recommend that investors read carefully the "risk factors" section of the product's prospectus and the "Risk and reward" section of the Key Investor Information Document (KIID). The prospectus in English and the KIID in French are available free of charge on www.amundiETF.com or upon request to info@amundiETF.com

The attention of investors is drawn to the fact that, the prospectus is only available in English.

Units of a specific UCITS ETF managed by an asset manager and purchased on the secondary market cannot usually be sold directly back to the asset manager itself. Investors must buy and sell units on a secondary market with the assistance of an intermediary (e.g. a stockbroker) and may incur fees for doing so. In addition, investors may pay more than the current net asset value when buying units and may receive less than the current net asset value when selling them.

Updated composition of the product's investment portfolio is available on www.amundiETF.com. In addition, the indicative net asset value is published on the Reuters and Bloomberg pages of the product, and might also be mentioned on the websites of the stock exchanges where the product is listed.

There is no guarantee that the fund's objective will be met. The fund may not always be able to replicate exactly the performance of the index (or indices).

This product includes a risk of capital loss. The redemption value of this product may be less than the amount initially invested. In a worst case scenario, investors could sustain the loss of their entire investment.

The index referred to herein (the "Index") is not sponsored, approved or sold by Amundi Asset Management ("Amundi AM"). Amundi AM shall not assume any responsibility in this respect. The accuracy, completeness or relevance of the information which has been drawn from external sources is not guaranteed although it is drawn from sources reasonably believed to be reliable.
