Objective and Investment Policy

The investment objective of the Fund is to track both the upward and the downward evolution of the Bloomberg MSCI Global Green Bond 1-10 Year Index (the "Benchmark Index") denominated in EUR, while minimizing the volatility of the difference between the return of the Fund and the return of the Benchmark Index (the "Tracking Error").

Amundi ETFs are efficient investment vehicles listed on exchange that offer transparent, liquid and low-cost exposure to the underlying benchmarkindex.

Any losses or gains do not take into consideration any costs, commissions and fees incurred by the investor in the issue and buyout of the shares (e.g. taxes, brokerage fees or other commissions deducted by the financial intermediary). If performance is calculated in a currency other than the euro, any losses or gains generated can thereby be affected by exchange rate fluctuations (both upward and downward). The discrepancy accounts for the performance difference between the portfolio and the index.

Risk indicators (Source: Fund Admin)

	1 year	3 years	Inception to date *
Portfolio volatility	4.07%	-	5.05%
Benchmark volatility	4.05%	-	5.01%
Ex-post Tracking Error	0.09%	-	0.13%

* Volatility is a statistical indicator that measures an asset's variations around its average value. For example, market variations of +/- 1.5% per day correspond to a volatility of 25% per year.
The Tracking Error indicator measures the performance's difference between the fund and the benchmark

BOND

Description of the Index

The Benchmark Index is representative of the performance of Green Bonds issued by investment grade entities and denominated in multiple currencies. Green Bonds are issued in order to fund projects that have positive environmental outcomes. To be eligible in the Benchmark Index, Green Bonds are independently evaluated by MSCI ESG Research along four dimensions to determine whether they should be classified as green bond: stated use of proceeds, process for green project evaluation and selection, process for management of proceeds, commitment to ongoing reporting of the environmental performance of the use of proceeds. Important information

This document is of a commercial nature and not of a regulatory nature.

It is each investor's responsibility to ascertain that it is authorised to subscribe, or invest into this product.

Prior to investing in the product, investors should seek independent financial, tax, accounting and legal advice.

Amundi Global Aggregate Green Bond 1-10Y is an investment company with Variable Capital (SICAV) incorporated under Luxembourg Law, listed on the official list of Undertakings for Collective Investment, authorised under Part I of the Luxembourg Law of 17th December 2010 (the "2010 Law") on Undertakings for Collective Investment in accordance with provisions of the Directive 2009/65/EC (the "2009 Directive") and subject to the supervision of the Commission de Surveillance du Secteur Financier (CSSF).

The product is a sub-fund of Amundi Global Aggregate Green Bond 1-10Y and has been approved by the CSSF and has been notified to the AMF to be marketed in France.

Amundi Asset Management ("Amundi AM") recommend that investors read carefully the "risk factors" section of the product's prospectus and the "Risk and reward" section of the Key Investor Information Document (KIID). The prospectus in English and the KIID in French are available free of charge on www.amundi-etf.com or upon request to info@amundi-etf.com

The attention of investors is drawn to the fact that, the prospectus is only available in English.

Units of a specific UCITS ETF managed by an asset manager and purchased on the secondary market cannot usually be sold directly back to the asset manager itself. Investors must buy and sell units on a secondary market with the assistance of an intermediary (e.g. a stockbroker) and may incur fees for doing so. In addition, investors may pay more than the current net asset value when buying units and may receive less than the current net asset value when selling them.

Updated composition of the product's investment portfolio is available on www.amundi-etf.com. In addition, the indicative net asset value is published on the Reuters and Bloomberg pages of the product, and might also be mentioned on the websites of the stock exchanges where the product is listed.

There is no guarantee that the fund's objective will be met. The fund may not always be able to replicate exactly the performance of the index (or indices).

This product includes a risk of capital loss. The redemption value of this product may be less than the amount initially invested. In a worst case scenario, investors could sustain the loss of their entire investment.

The index referred to herein (the "Index") is not sponsored, approved or sold by Amundi Asset Management ("Amundi AM"). Amundi AM shall not assume any responsibility in this respect. The accuracy, completeness or relevance of the information which has been drawn from external sources is not guaranteed although it is drawn from sources reasonably believed to be reliable.
