What is this product?

Type: Shares of a Sub-Fund of MULTI UNITS LUXEMBOURG, an Undertaking for Collective Investments in Transferable Securities (UCITS), established as a SICAV.

Term: The term of the Sub-Fund is unlimited. The Management Company may terminate the fund by liquidation or merger with another fund in accordance with legal requirements.

Objectives: This Sub-Fund is passively managed.

The objective of this Sub-Fund is to track the performance of iBoxx EUR Investment Grade Broad Credit Spread Widening Index (the "Index") and to minimize the tracking error between the net asset value of the Sub-Fund and the performance of the Index. The anticipated level of the tracking error, under normal market conditions, is indicated in the prospectus of the Sub-Fund.

The Index is a Total Return Index: the coupons paid by the index constituents are included in the index return.

The investment objective of MULTI UNITS LUXEMBOURG - Amundi EUR Credit Spread Widening is to track the performance of the iBoxx EUR Investment Grade Broad Credit Spread Widening Index (the "Index") denominated in EUR - while minimising the volatility of the difference between the return of the Sub-Fund and the return of the Index (the "Tracking Error").

More information about the composition of the Index and its operating rules are available in the prospectus and at: www.tobecompleted.com. The Index value is available via Bloomberg (IBXX4B2A).

The Sub-Fund will apply an Indirect Replication methodology to get exposition to the Index. The Sub-Fund will invest into a total return swap (financial derivative instrument) delivering the performance of the Index against the performance of the assets held. Derivatives are integral to the Sub-Fund's investment strategies.

Intended Retail Investor: This product is intended for investors, with an advanced knowledge of and experience of investing in funds, with the ability to bear losses up to the amount invested.

Redemption and Dealing: The Sub-Fund's shares are listed and traded on one or more stock exchanges. In normal circumstances, you may deal in shares during the trading hours of the stock exchanges. Only authorised participants (e.g., selected financial institutions) may deal in shares directly with the Sub-Fund on the primary market. Further details are provided in the MULTI UNITS LUXEMBOURG prospectus.

Distribution policy: As this is a non-distributing share class, investment income is reinvested. the accumulation share automatically retains, and re-invests, all attributable income within the Sub-Fund; thereby accumulating value in the price of the accumulation shares.

More Information: You may get further information about the Sub-Fund, including the prospectus, and financial reports which are available at and free of charge on request from: Amundi Luxembourg S.A. at 5, allée Scheffer 2520 Luxembourg, Luxembourg.

The Net Asset Value of the Sub-Fund is available on www.amundi.lu

Depository: Societe Generale Luxembourg.

* Secondary Market: because the Sub-Fund is an ETF, Investors who are not Authorized Participants will generally only be able to buy or sell shares on the secondary market. Accordingly, investors will pay brokerage fees and/or transaction costs in connection with their dealings on stock exchange(s). These brokerage fees and/or transaction costs are not charged by, or payable to, the Sub-Fund nor the Management Company but to the investor own intermediary. In addition, the investors may also bear the costs of "bid-ask" spreads; meaning the difference between the prices at which shares can be bought and sold.

Primary Market: Authorized Participants dealing directly with the Fund will pay related primary market transaction costs.

How long should I hold it and can I take money out early?

Recommended holding period: 3 years is based on our assessment of the risk and reward characteristics and costs of the Sub-Fund.

This product is designed for medium-term investment; you should be prepared to stay invested for at least 3 years. You can redeem your investment at any time, or hold the investment longer.

Order Schedule: Details of dealing frequency can be found under "What is this product?". Please see the "What are the costs?" section for details of any exit fees.

On the Primary Market the Company may:

- Suspend the redemption of shares, if exceptional circumstances so require, considering the interests of investors.
- Manage liquidity risks, by (i) limiting how many shares are redeemed in a short amount of time if redemption requests reach a predefined threshold beyond which such requests can no longer be executed in the best interests of all investors ("Gates"), and (ii) applying anti-dilution tools (anti-dilution levy or partial or full swing pricing) to mitigate material dilution for remaining investors.

On the Secondary Market, investors will generally be able to sell their shares on the relevant stock exchange. Further details can be found in the Prospectus.
