Risk Indicator *(Source : Fund Admin)*

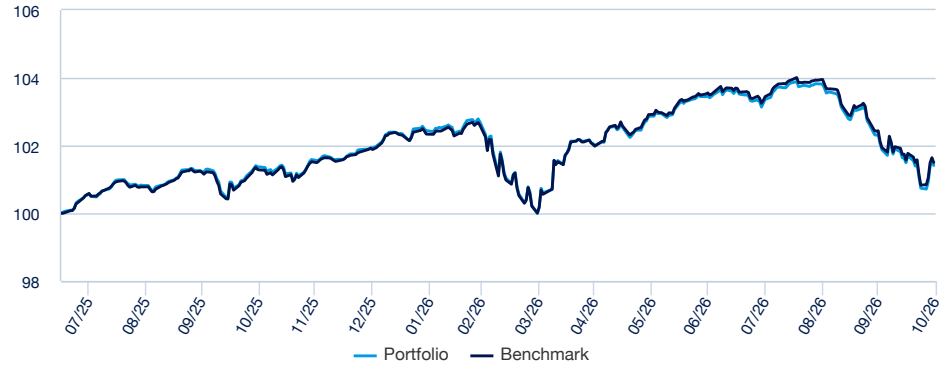

The SRI represents the risk and return profile as presented in the Key Information Document (KID). The lowest category does not imply that there is no risk. The SRI is not guaranteed and may change over time. The risk indicator assumes you keep the product for 4 years.
The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movement in the markets or because we are not able to pay you.

« Technical net asset values may be calculated and published for any calendar day (excluding Saturdays and Sundays) that is neither a business day nor a transaction day. These technical net asset values are merely indicative and will not be the basis for purchasing, switching, redeeming and/or transferring shares."

** Source : Amundi. The above cover complete periods of 12 months for each calendar year.* ***Past performance is no predictor of current and future results and does not guarantee future yield*** *. Any losses or gains do not take into consideration any costs, commissions and fees incurred by the investor in the issue and buyout of the shares (e.g. taxes, brokerage fees or other commissions deducted by the financial intermediary). If performance is calculated in a currency other than the euro, any losses or gains generated can thereby be affected by exchange rate fluctuations (both upward and downward). The discrepancy accounts for the performance difference between the portfolio and the index.*

Benchmark volatility	2.63%	2.47%
Ex-post Tracking Error	0.12%	0.14%
Sharpe ratio	-0.78	-0.41

* Volatility is a statistical indicator that measures an asset's variations around its average value. For example, market variations of +/- 1.5% per day correspond to a volatility of 25% per year. The higher the volatility, the higher the risk.
The Tracking Error indicator measures the performance's difference between the fund and the benchmark

Index Providers

The Sub-Fund is neither sponsored, approved, sold nor recommended by Standard & Poor's or its subsidiaries ("S&P"). S&P makes no declaration or provide any condition or guarantee, explicit or implicit, to Sub-Fund shareholders or to any member of the public relating to investment opportunities in securities in general or in the particular Sub-Fund or about the ability of the Index to track the yield of certain financial markets and/or sections of them and/or groups or categories of assets. The only relationship linking S&P to Amundi Asset Management is the granting of licences for certain registered trademarks or commercial marks and for the Index that is defined, composed and calculated by S&P, without regard for pour Amundi Asset Management or for the Sub-Fund. S&P is not obliged to take account of the needs of Amundi Asset Management or the Sub-Fund shareholders when defining the composition of or calculating the S Index. S&P is not responsible and have not been party to the definition of prices and amounts in the Sub-Fund or the schedule for issuing or selling the SubFunds or in defining or calculating the equation for converting shares in the Sub-Funds into liquid assets. S&P have no obligations or responsibilities in terms of the administration, marketing or commercialisation of the Sub-Fund. S&P does not guarantee the accuracy and/or comprehensiveness of the Index or any data in it and will not be responsible for any error, omission or interruption relating to it. S&P makes no declaration or provide no conditions or guarantees, explicit or implicit, relating to the results that will be obtained by Amundi Asset Management, Sub-Fund shareholders or any other person or entity using the Index or any data in it. S&P makes no declaration or give any condition or guarantee, explicit or implicit, and expressly deny any guarantee, market quality conditions or aptitude for an objective or specific use and any other guarantee or condition, explicit or implicit, relating to the Index or any data in it. Without limiting what precedes, S&P will not be responsible for any special, punitive, indirect or consequent damage (including loss of profits) resulting from using the Index or any other data in it, even if it was warned of the possibility that the said damage may occur.

Important information

Note on the Fund management company and the fund
Multi Units Luxembourg, RCS B115129, Luxembourg SICAV located 9, rue de Bitbourg, L-1273 Luxembourg, and managed by Amundi Luxembourg S.A.
The Fund is described in a Key Information Document (KID), or Key Investor Information Document (KIID) for UK investors, and prospectus. The Funds KID, or KIID for UK investors, must be made available to potential subscribers prior to subscription.
The Funds reference material (KIID, prospectus, annual and semi-annual reports) can be obtained from Amundi on request, or obtained via the amundietf.com website.

In the United Kingdom (the "UK"), this website is being issued by Amundi (UK) Limited, 77 Coleman Street, London EC2R 5BJ, UK. Amundi (UK) Limited is authorised and regulated by the Financial Conduct Authority ("FCA") and entered on the FCA's Financial Services Register under number 114503. This may be checked at https://register.fca.org.uk/ and further information of its authorisation is available on request. Each fund and its relevant sub-fund(s) under its respective fund range that is referred to in this website (each, a "Fund") is a recognised collective investment scheme for the purposes of Section 264 of the Financial Services and Markets Act 2000 (the "FSMA").
Potential investors in the UK should be aware that none of the protections afforded by the UK regulatory system will apply to an investment in a Fund and that compensation will not be available under the UK Financial Services Compensation Scheme.
Regarding Funds admitted on a regulated market, the listing is subject to a volatility control mechanisms to ensure that the ETF price does not deviate significantly from a reference price set by the listing rules of the relevant regulated market, notably through the implementation of a trading halt mechanism in case of significant deviation from this reference price.
The Fund offers no capital guarantee. Investors may not get back the full amount of their initial investment, particularly in the event that the benchmark index falls. Subscribing to a UCITS may involve risks. Potential investors are advised to read the Funds risk profile, which is described in detail in the prospectus. The amount that is reasonable to invest in the Fund will depend on the personal circumstances of each investor. To determine this amount, investors should take into account their financial situation, personal assets, and current and future requirements, as well as considering their willingness to accept risks or conversely their preference to invest cautiously. Investors are also strongly recommended to sufficiently diversify their investments so as to avoid being exposed solely to the risks of this Fund. Investors should therefore seek advice in this regard from their usual advisors (legal, tax, financial and/or accounting) before purchasing any units of the Fund.
The source of the data contained in this document is Amundi Asset Management unless otherwise stated.

Policy regarding portfolio transparency and warning on secondary market
The policy regarding portfolio transparency and information on the funds assets are available on amundietf.com. Shares purchased on the secondary market cannot usually be sold directly back to the fund. Investors must buy and sell shares on a secondary market with the assistance of an intermediary (e.g. a stockbroker) and may incur fees for doing so. Investors may pay more than the current net asset value when buying shares and may receive less than the current net asset value when selling them.
