Lower Risk — Higher Risk

The SRI represents the risk and return profile as presented in the Key Information Document (KID). The lowest category does not imply that there is no risk. The SRI is not guaranteed and may change over time. The risk indicator assumes you keep the product for 4 years.
The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movement in the markets or because we are not able to pay you.

*« Technical net asset values may be calculated and published for any calendar day (excluding Saturdays and Sundays) that is neither a business day nor a transaction day. These technical net asset values are merely indicative and will not be the basis for purchasing, switching, redeeming and/or transferring shares."*

## Returns (Source: Fund Admin) - Past performance does not predict future returns

### Risk indicators (Source: Fund Admin)

| | 1 year | Inception to date * |
|---|---|---|
| **Portfolio volatility *** | 3.47% | 3.86% |
| **Benchmark volatility** | 3.46% | 3.66% |
| **Ex-post Tracking Error** | 0.08% | 0.47% |
| **Sharpe ratio** | -1.17 | -0.31 |

* Volatility is a statistical indicator that measures an asset's variations around its average value. For example, market variations of +/- 1.5% per day correspond to a volatility of 25% per year. The higher the volatility, the higher the risk.
The Tracking Error indicator measures the performance's difference between the fund and the benchmark

** Source : Amundi. The above cover complete periods of 12 months for each calendar year.* ***Past performance is no predictor of current and future results and does not guarantee future yield*** *. Any losses or gains do not take into consideration any costs, commissions and fees incurred by the investor in the issue and buyout of the shares (e.g. taxes, brokerage fees or other commissions deducted by the financial intermediary). If performance is calculated in a currency other than the euro, any losses or gains generated can thereby be affected by exchange rate fluctuations (both upward and downward). The discrepancy accounts for the performance difference between the portfolio and the index.*

## Important information

**Note on the Fund management company and the fund**

Sub-fund of the Luxembourg SICAV Amundi Index Solutions (the 'Sub-fund' or the 'Fund' and the 'SICAV'). The SICAV is an undertaking for collective investment in transferable securities existing under Part I of the Luxembourg law of 17 December 2010, organised as a société dinvestissement à capital variable and registered with the Luxembourg Trade and Companies Register under number B206810. The SICAV has its registered office at 5, allée Scheffer, L-2520 Luxembourg. The Sub-fund has been authorised for public sale by the Commission de Surveillance du Secteur Financier of Luxembourg and in France by the AMF. The SICAV has other Sub-funds which are described in the prospectus. Not all sub-funds will necessarily be registered or authorized for sale in jurisdictions of all investors.

The Fund is described in a Key Information Document (KID), or Key Investor Information Document (KIID) for UK investors, and prospectus. The Funds KID, or KIID for UK investors, must be made available to potential subscribers prior to subscription.
The Funds reference material (KIID, prospectus, annual and semi-annual reports) can be obtained from Amundi on request, or obtained via the amundietf.com website.
In the United Kingdom (the "UK"), this website is being issued by Amundi (UK) Limited, 77 Coleman Street, London EC2R 5BJ, UK. Amundi (UK) Limited is authorised and regulated by the Financial Conduct Authority ("FCA") and entered on the FCA's Financial Services Register under number 114503. This may be checked at https://register.fca.org.uk/ and further information of its authorisation is available on request. Each fund and its relevant sub-fund(s) under its respective fund range that is referred to in this website (each, a "Fund") is a recognised collective investment scheme for the purposes of Section 264 of the Financial Services and Markets Act 2000 (the "FSMA").
Potential investors in the UK should be aware that none of the protections afforded by the UK regulatory system will apply to an investment in a Fund and that compensation will not be available under the UK Financial Services Compensation Scheme.
Regarding Funds admitted on a regulated market, the listing is subject to a volatility control mechanisms to ensure that the ETF price does not deviate significantly from a reference price set by the listing rules of the relevant regulated market, notably through the implementation of a trading halt mechanism in case of significant deviation from this reference price.

The Fund offers no capital guarantee. Investors may not get back the full amount of their initial investment, particularly in the event that the benchmark index falls. Subscribing to a UCITS may involve risks. Potential investors are advised to read the Funds risk profile, which is described in detail in the prospectus. The amount that is reasonable to invest in the Fund will depend on the personal circumstances of each investor. To determine this amount, investors should take into account their financial situation, personal assets, and current and future requirements, as well as considering their willingness to accept risks or conversely their preference to invest cautiously. Investors are also strongly recommended to sufficiently diversify their investments so as to avoid being exposed solely to the risks of this Fund. Investors should therefore seek advice in this regard from their usual advisors (legal, tax, financial and/or accounting) before purchasing any units of the Fund.
The source of the data contained in this document is Amundi Asset Management unless otherwise stated.

**Policy regarding portfolio transparency and warning on secondary market**

The policy regarding portfolio transparency and information on the funds assets are available on amundietf.com. Shares purchased on the secondary market cannot usually be sold directly back to the fund. Investors must buy and sell shares on a secondary market with the assistance of an intermediary (e.g. a stockbroker) and may incur fees for doing so. Investors may pay more than the current net asset value when buying shares and may receive less than the current net asset value when selling them.
